

Instruction Sheet for OEM Customers

"Welcome to the My QIAGEN OEM portal, your one-stop solution for easy, efficient and streamlined ordering. Here's a quick guide on how to use the webshop for all your orders.

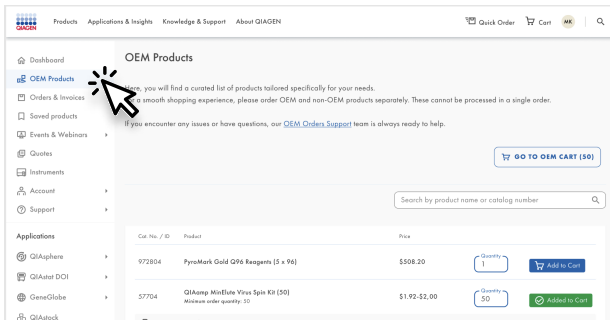

How to use the My QIAGEN OEM portal

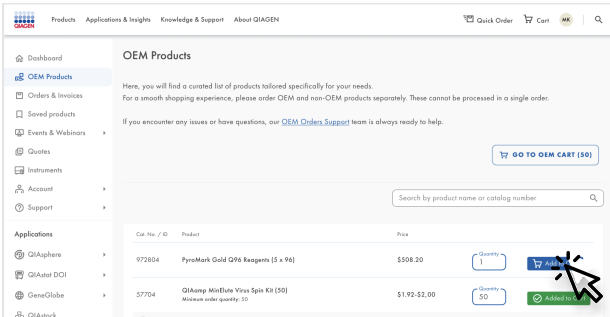

1. Visit www.qiagen.com and log in with your credentials.

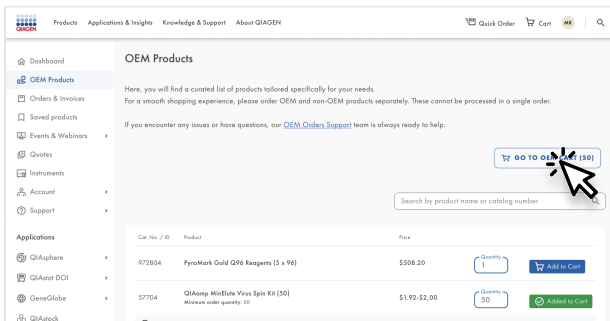

2. Go to the 'OEM Products' page. Here, you can see a list of your available OEM products and select them for ordering.

3. Once you've found your products, adjust the quantity and click 'Add to Cart'.

4. When you're ready, proceed to your cart. Here you can review your order, provide delivery details and choose your preferred payment method.

Benefits of using the My QIAGEN OEM portal

Speed & Efficiency

Cut down on the time spent in order processing. Add products to your cart, checkout and place your order within minutes.

Real-Time Order Status

Stay informed at all times. Monitor the status of your order in real time, providing instant insight into its progress and expected delivery time.

OEM Product Catalog

Access to your comprehensive product catalog, where you can browse and select from products dedicated to your OEM account.

Order History Access

Simplify your record-keeping process. View all your past orders in one place with just a few clicks, making reordering and tracking a breeze.
