QIAGEN Services and Support

QIAstock — Convenient On-Site Stocking Program

The QIAstock Program makes QIAGEN products available when and where you need them — and saves money, too! The QIAstock program provides a QIAcabinet and optional QIAfreezer to conveniently and economically stock your choice of QIAGEN products in your laboratory so no research time is lost waiting for shipments and deliveries.

No matter where they are located, QIAcabinets provide these key benefits:

- Flexibility — QIAcabinets are stocked to meet your specific research needs. They can be placed in individual labs, groups, departments, or entire buildings depending on your requirements.
- Efficiency — Saves time by reducing paperwork and providing immediate access to QIAGEN products.
- Economy — Saves shipping costs.

Join the other labs throughout the world that already enjoy the benefits of the QIAstock program.

Call QIAGEN at 800-426-8157 to speak with your local representative.

Technical Service

The QIAGEN Technical Service Department can be reached toll-free at 800-DNA-PREP (800-362-7737) 24 hours a day, Monday through Saturday. We encourage you to call our Technical Service Scientists with any questions about QIAGEN products, or about any molecular biology application. Our Technical Service Scientists are experienced molecular biologists with several years of post-graduate research experience who receive hands-on training on all QIAGEN products. QIAGEN is committed to answering your call quickly and has virtually eliminated hold time.

Our customers are our major source of information regarding the performance of QIAGEN products in new applications, and can provide information about special uses for our products in the laboratory. This information is helpful not only to QIAGEN, but also to your fellow scientists. We encourage you to contact us if you have suggestions about product performance, or special applications and techniques.

Customer Care

The QIAGEN customer hotline is available at 800-426-8157. Orders can be placed by telephone, internet, fax, or mail (see next page). Our customer care representatives are available from 6:00 A.M. to 5:00 P.M. (PT) weekdays to take your orders and answer any questions about purchasing or inquiries regarding your order. We also welcome any comments and suggestions you have to improve our service.

On-Site Workshops and Seminars

QIAGEN encourages the exchange of applications and ideas by organizing local user group meetings, seminars, and workshops. These forums stimulate a dialogue on the use and applications of our products. They are led by local research leaders and QIAGEN R&D staff. If you are interested in hosting or learning more about these events, please contact us by e-mail at marketing-us@qiagen.com.

Ordering from QIAGEN

Satisfaction Guarantee

Purchasing from QIAGEN is risk-free. If any product fails to meet your expectations, simply call our Technical Service Department at 800-DNA-PREP (800-362-7737). We will do whatever is necessary to ensure your satisfaction (see Returns, page 34). Details of our product warranty and satisfaction guarantee can be found on page 36.

How to Order

Internet: www.qiagen.com/order

E-mail: customercare-us@qiagen.com

Toll-free phone: 800-426-8157

Toll-free fax: 800-718-2056

Mail: QIAGEN Inc., 27220 Turnberry Lane, Suite 200, Valencia, CA 91355

Order Anytime — 24 Hours a Day

Weekday hours are 6:00 A.M. – 5:00 P.M. (PT). After hours and on weekends, orders can be sent via the Internet or faxed.

Information for Ordering

There is no minimum order requirement. For faster service, please provide us with the following information:

- Customer account number (if you have one)
- Name of principal investigator
- Valid purchase order number, or credit card number and expiration date
- Name and phone number of end user
- Billing address
- Shipping address
- Name and phone number of purchasing agent
- Catalog number and description of product
- Quantity

To confirm your telephone order in writing, mark your confirmation clearly with “Confirmation — Do Not Duplicate” and send or fax it to us at the toll-free number. If your institution is a regular customer, written confirmation of telephone orders is generally unnecessary.

Charge Your QIAGEN Purchase

QIAGEN accepts U.S.-issued Visa, Mastercard, and American Express for shipment in the U.S. To charge your next order or to find out more about the QIAGEN credit card policy, call 800-426-8157.

Annual Purchase & Bulk Order Contracts

QIAGEN offers considerable savings to organizations purchasing QIAGEN products under an annual purchase contract. We also offer special quotations for any product required in bulk or large quantities.

Prices & Terms

Payment terms for purchases are net 30 days in U.S. dollars. Prices are quoted in U.S. dollars and are subject to change without notice. All orders are subject to final acceptance by QIAGEN Inc. at the prices in effect at the time of shipment, and are based on QIAGEN Inc.'s sales terms and conditions appearing on the reverse side of QIAGEN Inc.'s standard invoice.

Shipping & Delivery

Orders received before 3:00 P.M. PT will ship the same day Monday through Friday. On Fridays, orders must be received before 2:00 P.M. PT in order to ship the same day. Temperature sensitive products are not normally shipped on Fridays. Shipping/handling, hazardous material handling, and insurance charges are prepaid by QIAGEN and added to the invoice. Orders within Maryland are normally shipped via ground service, unless otherwise specified. Domestic orders outside Maryland are normally shipped via second-day air service, unless otherwise specified. Shipping and delivery dates are estimated as accurately as possible at the time orders are placed. Products are shipped from our distribution center in Germantown, MD.

Incomplete & Damaged Shipments

If a shipment is incomplete, please retain all shipping documents, containers, and packing materials, and notify our Customer Care Center at 800-426-8157 as soon as possible (no later than five business days after receipt).

If a shipment is damaged, accept the shipment and retain all shipping documents, cartons, and packing materials for inspection. Make a note on the waybill of any visible damage at the time of receipt. Report the damage to our Customer Care Center at 800-426-8157 as soon as possible. Once a shipment of the product you ordered has been released to the carrier, you become the owner of the goods and are responsible for claiming any damage. Questions and requests for assistance should be directed to our Customer Care Center at 800-426-8157.

Returns*

Our satisfaction guarantee means that if you are not entirely satisfied with the performance of a QIAGEN product we will exchange or refund it. Simply call our Technical Service Department at 800-DNA-PREP (800-362-7737). They can answer any questions about the product. If you are still not satisfied, please ask for a Return Authorization (RA) Number (see below). Details of our product warranty and satisfaction guarantee can be found on page 35.

Products ordered, shipped, or billed in error can be returned for exchange or credit. Please contact our Customer Care Center at 800-426-8157 for a Return Authorization (RA) Number (see below).

Return Authorization (RA) Numbers

RA Numbers enable us to track your return and ensure appropriate credit to your account. To return goods, please be ready to provide us with the following information:

- Purchase order number
- QIAGEN order reference number
- Catalog number and description of product
- Reason for return (so we can serve you better in the future)

We can then issue an RA number and give you instructions on how best to get the products back to QIAGEN.

Any feedback or suggestions regarding our return policy can be sent via e-mail, fax, or mail to QIAGEN Inc., Attention: the General Manager.

* Separate conditions apply to QIAGEN scientific instruments and to products shipped on dry ice. Please inquire for more information.

Product Use and Sales Conditions

Product Warranty and Satisfaction Guarantee*

QIAGEN guarantees the performance of all products in the manner described in our product literature. The purchaser must determine the suitability of the product for its particular use. Should any product fail to perform satisfactorily due to any reason other than misuse, QIAGEN will replace it free of charge or refund the purchase price. We reserve the right to change, alter, or modify any product to enhance its performance and design. If a QIAGEN product does not meet your expectations, return it to us. We will credit your account or exchange the product — as you wish. See the Returns section on page 3 for details.

THE GUARANTEE STATED ABOVE IS IN LIEU OF ANY OTHER WARRANTY OR GUARANTEE, EXPRESSED OR IMPLIED, ARISING BY LAW OR OTHERWISE. QIAGEN MAKES NO OTHER WARRANTY OR GUARANTEE, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. UNDER NO CIRCUMSTANCE SHALL QIAGEN BE LIABLE FOR ANY DIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL LOSS, DAMAGE, OR EXPENSE DIRECTLY OR INDIRECTLY ARISING FROM THE USE OF THE PRODUCT, EVEN IF QIAGEN KNEW OF THE POSSIBILITY OF SUCH LOSS, DAMAGE, OR EXPENSE. All terms and conditions are subject to change without prior notice. For more information about the terms and conditions of sale, please review our invoices. QIAGEN Terms and Conditions of Sale

1. THE CONTRACT.

These terms and conditions (also referred to as this "Agreement") apply to all sales of products and services by QIAGEN to its customers (each, a "Customer"), unless QIAGEN and Customer have agreed to a separate written contract signed by authorized representatives of both parties (a "Contract"). To the extent the parties have executed a Contract, and there are any conflicts between these terms and those in the Contract, then the Contract shall control. Any provisions printed or otherwise contained in any purchase order, acknowledgement, acceptance or other document from Customer purporting to govern the purchase of products or services from QIAGEN which are inconsistent with or in addition to these terms and conditions shall have no force or effect and shall not constitute any part of the agreement between the parties, unless in writing and signed by an authorized representative of QIAGEN.

2. ORDERS.

Customer shall place orders for products (all equipment, consumables, kits and supplies) using purchase orders consistent with these terms and conditions. All orders shall include the minimum following information: shipping and billing address, catalog number, product description, size, quantity and purchase order number. In the event Customer's purchase order varies from the terms herein, the terms herein shall control, even if Customer's purchase order states otherwise. All confirmations, invoices and other writings delivered by QIAGEN to Customer shall be deemed accepted by Customer together with any terms and conditions set forth thereon unless within ten (10) days of the date thereof Customer gives written notice to QIAGEN of Customer's non-acceptance.

3. PRICING AND ACCEPTANCE.

3.1 All prices are subject to change without prior notice except for work in progress or where otherwise specifically provided in a written quotation signed by an authorized QIAGEN representative.

3.2 The prices stated herein do not include any sales, use or excise taxes, customs duties, imposts or other assessments of any kind, value-added or similar taxes, which may arise from the manufacture, processing, sale or shipment of the products or services, and Customer shall be solely responsible for any and all such taxes, duties or other assessments. If QIAGEN has the legal obligation to collect any such taxes, duties or other assessments, the appropriate amount shall be added to QIAGEN's invoice to Customer and paid by Customer. If, for whatever reason, QIAGEN does not collect any such amount from Customer and QIAGEN becomes liable to pay any such taxes, duties or other assessments or any penalties related thereto, Customer shall promptly pay such amounts directly to the appropriate governmental authority or, if QIAGEN is required to pay or has paid such amounts, shall pay such amounts to QIAGEN in accordance with Section 4 below.

3.3 All orders from Customer are binding upon Customer and may be accepted by QIAGEN, at QIAGEN's option, either by sending an order acknowledgement or confirmation, or by delivering the resulting products or services to Customer.

4. TITLE; RISK OF LOSS; SHIPPING.

4.1 All products are shipped FCA QIAGEN's facility, with shipping and handling fees prepaid and added to the invoice amount. Title to and risk of loss of products shall pass to Customer at the place and time QIAGEN delivers such products to the shipper. QIAGEN may change freight carriers without notice. If a shipment fails to be delivered as scheduled, Customer shall be responsible for pursuing a claim with the freight company and QIAGEN shall provide reasonable cooperation with such endeavor.

4.2 Representations as to delivery dates are approximate only, unless QIAGEN has given an expressly binding commitment. Partial delivery or performance of products and services under this Agreement shall be permitted unless Customer has expressly stated in writing on the face of the QIAGEN Sales Document or on the Customer's purchase order that partial delivery will not be accepted.

4.3 QIAGEN shall not be liable for any delay in performance or nonperformance as the result of war, fire, flood, accidents, acts of God, terrorism, embargoes, acts of third parties, acts of governmental authority or any agency or commission thereof, breakdown of equipment, shortages of material, labor or power, labor strikes, work stoppage or labor unrest, or any other cause beyond QIAGEN's reasonable control. If any of the foregoing events occurs, QIAGEN may make deliveries of the products and services proportionate to production and/or postpone the shipment or delivery period of the products and services to a reasonable time after the difficulty has ceased, or QIAGEN may, at its option upon notice given to Customer within twenty (20) days after the commencement of any such event, declare this Agreement terminated and all rights and liabilities of QIAGEN and Customer, except with respect to products and services previously shipped or performed or in QIAGEN's inventory, shall cease and terminate. QIAGEN shall have no obligation to buy in the open market any article to be used in QIAGEN's manufacture or processing when the supplier thereof has defaulted in delivery.

4.4 If this Agreement calls for more than one shipment of products or delivery of services, each shipment and delivery shall constitute a separate sale under the terms and conditions of this Agreement and Customer agrees to accept each shipment and delivery and pay each invoice in full when due at the contract prices regardless of controversies relating to other delivered or non-delivered products or services. If Customer fails to accept or pay for shipment or delivery, or in the event a dispute arises concerning QIAGEN's performance hereunder, then QIAGEN may, without prejudice to any other lawful remedy and without any liability to Customer, (i) defer further performance hereunder until acceptance or payment by Customer of all previous shipments and deliveries or until the dispute shall have been resolved, or (ii) terminate this Agreement with respect to any unaccepted or undeliverable portion, in which case Customer shall be responsible for any expense or loss sustained by QIAGEN in connection with this Agreement.

Sales terms and conditions

5. PAYMENT TERMS.

5.1 The full amount of each invoice for products and services hereunder shall be paid net 30 days (terms contingent upon credit worthiness of Customer) from the date of the invoice unless otherwise stated on the face of the invoice.

5.2 Payment by check or bill of exchange will be effective only after these instruments have cleared and been paid. Any discounts and expenses shall be borne by Customer.

5.3 QIAGEN reserves the right to assess a late fee equal to one and one-half percent (1.5%) per month or, if lower, the maximum amount permitted by applicable law, on all amounts not paid when due, calculated on a daily basis beginning with the 1st day following the invoice due date. Any check or remittance received from or for the account of Customer may be accepted and applied by QIAGEN against any indebtedness owing by Customer, without prejudice to, or the discharge of, the remainder of any such indebtedness regardless of any condition, provision, statement, legend or notation appearing on, referring to or accompanying any check or remittance.

5.4 At any time, when in QIAGEN's opinion the financial condition of Customer so warrants, or if Customer fails to make payment when due or otherwise defaults hereunder, QIAGEN may change any terms of payment, suspend any credit previously extended to Customer, require partial or full payment in advance and delay shipment until such terms are met, and pursue any other remedies available at law. In such event, if Customer refuses to accept such changes, any outstanding order may be cancelled without any liability to QIAGEN. In the event of bankruptcy or insolvency of Customer or in the event any proceeding is brought by or against Customer under any bankruptcy or insolvency laws or their equivalent, QIAGEN may cancel any order then outstanding without liability to Customer.

6. LIMITED WARRANTY.

6.1 Product and Equipment Warranties

(a) Product Warranty. QIAGEN warrants that, at the time of shipment, the products sold by it are free from defects in materials and workmanship and conform to the Specifications, if any, that accompany the products. QIAGEN agrees to replace any defective or non-conforming product (provided that such nonconformity was not caused by misuse or negligence of Customer) if Customer provides notice to QIAGEN within thirty (30) days after receipt. No claim will be honored if Customer fails to notify QIAGEN within the period specified. Such replacement, or the refund of the invoice price of the products, shall be the sole and exclusive remedy of Customer for any liability of QIAGEN of any kind, including, but not limited to, liability based upon warranty (expressed or implied, whether contained herein or elsewhere), strict liability, contract or otherwise. All third party expenses, including any applicable transportation, handling, customs and related costs associated with the return and/or replacement of such products or Supplies, if determined to be nonconforming, shall be paid by QIAGEN.

(b) Equipment Warranty. QIAGEN warrants that all new instrumentation manufactured by QIAGEN will correspond to the product specifications and be free from defects in workmanship and materials for a period of twelve (12) months from the original date of shipment. Repair or replacement of defective parts will be provided to the purchaser during this time period provided the QIAGEN instrumentation is operated under conditions of normal and proper use, but not for damage caused by the customer. If any part or subassembly proves to be defective, it will be repaired or replaced at QIAGEN's sole option, subsequent to inspection at the factory, or in the field by an authorized factory representative, provided that such defect manifested under normal and proper use.

6.2 Customer agrees that QIAGEN's sole liability, and Customer's sole and exclusive remedy, pursuant to any claim of any kind against QIAGEN, including without limitation any claim in contract, negligence or strict liability, shall be, at QIAGEN's option, (a) re-delivery of any non-conforming products or reperformance of any non-conforming services or (b) a refund of the price allocable to the non-conforming products or services.

6.3 Promptly upon receipt of each delivery of products and services hereunder, Customer shall examine such products and deliverables of such services for any defects, damage or shortage. All claims, including without limitation for non-conforming products or services, shortage or any other cause whatsoever, shall be deemed waived unless made in writing and received by QIAGEN by (a) 14 days after Customer's receipt of the products or services, in the case of any non-conformities or deficiencies reasonably ascertainable by visual inspection or routine testing procedures, (b) 30 days after Customer learns of the facts giving rise to the claim, in the case of any other non-conformities or deficiencies not reasonably ascertainable by visual inspection or routine testing procedures, or (c) 60 days after Customer's receipt of such shipment. Customer's failure to give notice of any claim within the applicable time period specified above, shall be deemed an absolute and unconditional waiver of such claim, irrespective of whether the facts giving rise to such claim shall have been discovered or whether processing or use of the products or services shall have then taken place.

6.4 Returns.

Customer must obtain authorization for all returns of products from a QIAGEN Customer Relations or Technical Services Representative. A Returned Good Authorization number shall be assigned and must be included in the shipping documentation. Some products may not be eligible for return due to regulatory or storage requirements.

(a) Returns due to Nonconforming product. If Customer chooses to return nonconforming (i.e., does not conform to Specifications) products under the product Warranty, QIAGEN will assess the product to verify the nonconformance. If the product is found to be non-conforming, QIAGEN shall send a replacement within 48 hours for all stocked items. If Customer is asked by QIAGEN to return the nonconforming product, QIAGEN will pay for the return shipping charges as well.

(b) Returns due to Customer Ordering Error. Products ordered in error are returnable within thirty (30) days after shipment was started by QIAGEN; provided that the products being returned remain unopened and suitable for resale, as determined by QIAGEN in its sole discretion. Customer must pay for the return freight. A credit shall be issued for the invoice price of the returned product less (1) a restocking fee of the greater of 20% of the return value or \$25.00 and (2) freight costs incurred by QIAGEN for the shipment to and/or from Customer. Special orders, non-stocked items, and discontinued reagents may not be returned.

6.5 THE LIMITED WARRANTY IN SECTION 6.1 ABOVE IS EXPRESSLY IN LIEU OF ANY AND ALL OTHER WARRANTIES AND QIAGEN HEREBY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION (A) ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR (B) ANY IMPLIED WARRANTY THAT ANY USE OF THE GOODS OR SERVICES WILL NOT VIOLATE OR INFRINGE ANY PATENT OR OTHER PROPRIETARY RIGHTS OF THIRD PARTIES, WITH RESPECT TO THE GOODS OR SERVICES, OTHER THAN AS EXPRESSLY SET FORTH IN SECTION 6.1 ABOVE.

Sales terms and conditions

7. LIMITATION OF LIABILITY AND REMEDY.

7.1 CUSTOMER ACKNOWLEDGES AND AGREES THAT THE AMOUNTS WHICH QIAGEN IS CHARGING HEREUNDER DO NOT INCLUDE ANY CONSIDERATION FOR QIAGEN'S ASSUMPTION OF THE RISK OF CONSEQUENTIAL OR INCIDENTAL DAMAGES WHICH MAY ARISE IN CONNECTION WITH USE OF THE GOODS OR SERVICES BY CUSTOMER. ACCORDINGLY, CUSTOMER AGREES THAT QIAGEN SHALL NOT IN ANY EVENT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION PERSONAL INJURY, PROPERTY DAMAGE, LOST PROFITS OR OTHER ECONOMIC LOSS, ARISING IN CONNECTION WITH CUSTOMER'S USE OF OR INABILITY TO USE THE GOODS OR SERVICES. THIS LIMITATION OF LIABILITY WILL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR TORT, INCLUDING NEGLIGENCE AND INDEPENDENT OF ANY FAILURE OF ESSENTIAL PURPOSE OF THE LIMITED WARRANTY AND REMEDIES PROVIDED HEREUNDER.

7.2 QIAGEN's liability for breach of warranty or for any loss or damage resulting from any other cause whatsoever, including alleged negligence, shall not exceed the lesser of (i) the cost of correcting any non-conformities in the products or services or (ii) the cost of replacing the products or reperforming the services. In no event (including unenforceability of the above limitations and independent of any failure of essential purpose of the limited warranty and remedies provided hereunder) shall QIAGEN's aggregate liability for damages under this Agreement exceed the purchase price previously paid by Customer for the non-conforming products or services. The parties acknowledge that the limitations set forth in this Section 7.2 are integral to the prices charged under this Agreement and that, were QIAGEN to assume any further liability other than as set forth herein, such prices would of necessity be set substantially higher. Customer expressly agrees that this limitation of damages and remedies shall constitute the exclusive remedies and measure of damages available to Customer and all other remedies and measures of damages which might otherwise be available under the law of any jurisdiction are hereby waived by Customer.

7.3 Without limitation to the generality of the foregoing limitation, QIAGEN shall not be liable for any damage or loss caused by the improper or unapproved use of the products. The products are for research use only and are not to be used for human diagnostic or drug purposes unless expressly approved for such purposes by the Food and Drug Administration in the U.S. or the appropriate regulatory agency in other countries. Without limitation to the generality of the foregoing, Customer shall handle and use the results of the products in conformity with (a) good laboratory practice, (b) all applicable laws and regulations, guidelines and decisions of judicial or regulatory bodies and (c) any patent and other proprietary rights of third parties. Customer shall defend, indemnify and hold harmless QIAGEN from and against any and all losses, costs and expenses, including without limitation reasonable attorneys' fees, in any way arising out of or relating to (a) any use of the products not in compliance with the uses stated above, (b) any failure of Customer to comply with good laboratory practice, laws, regulations, guidelines or decisions in the handling or use of the products, (c) any violation or infringement of any patent or other proprietary rights of third parties by Customer in the handling or use of the products, or (d) any other use or misuse of the products by Customer.

7.4 Except as otherwise agreed in writing by QIAGEN's authorized representative, the purchase of products only conveys to Customer the non-transferable right for Customer only to use the quantity of products and components of products purchased in compliance with the applicable intended use statement, limited use statement or limited label license. Unless otherwise authorized, no right to resell the products, or any portion of them, is conveyed.

8. INDEMNIFICATION.

Customer shall indemnify QIAGEN, defend and assume the settlement of, and the defense of any suit or suits or other legal proceedings brought to enforce all losses, damages, injuries, claims, demands, and expenses ("Liability") arising out of the use of Products purchased by Customer hereunder, regardless of where, how, and by whom used, and shall pay all judgments entered in any such suit or suits or other legal proceedings, except for Liability resulting from QIAGEN's gross negligence of willful misconduct. The indemnities and assumptions of liabilities and obligations herein provided for shall continue in full force and effect notwithstanding termination of this Agreement, whether by expiration of time, by operation of law, or otherwise.

9. GENERAL COMPLIANCE.

Each of the parties represents and warrants to the other party that it will comply with all applicable laws, rules or regulations ("Applicable Laws"), including, but not limited to, applicable federal, state and local laws, rules, regulations and guidelines relating to the manufacturing, quality control, packaging, labeling, handling, shipping, importation, exportation and storage of Products, HIPAA, Medicare and Medicaid billing and referral requirements and the Federal Food, Drug and Cosmetic Act. It is the intention of the parties that this Agreement be administered in accordance with the federal anti-kickback statute (Title 42, United States Code, Section 1320a-7b(b)). Accordingly, insofar as required by such statute or by the discount safe harbor regulations at 42 CFR § 1001.952(h), Customer shall fully and accurately report in applicable cost reports and provide information upon request to Medicare, Medicaid and other federal health care programs on all discounts and price reductions under this Agreement.

10. HIPAA COMPLIANCE.

The parties acknowledge that use of the Products and Equipment by Customer may be subject to the requirements of HIPAA and the related privacy and security regulations, and other current and future laws, rules and regulations regarding collecting, accessing, using, disclosing, electronically transmitting, securing, and storing protected health information of patients ("PHI"). The parties acknowledge that PHI is not required for QIAGEN's performance of this Agreement and that QIAGEN is neither a "covered health care provider" nor a business associate of the Customer. If in the performance of any services that are related to the provision of Products, Supplies and Equipment under this Agreement, QIAGEN or its employees, representatives, or agents inadvertently or incidentally obtain or gain access to PHI on paper, tape, diskette, CD or other tangible media, in instruments or computers, electronically displayed, or verbally disclosed, QIAGEN agrees that it shall not use, disclose, or reproduce, in any manner, any such PHI (including, without limitation, laboratory results and patient demographic information) and shall promptly report such disclosure to Customer.

Sales terms and conditions

11. CONFIDENTIALITY.

Each party shall use Confidential Information (information of a proprietary or sensitive nature that is not readily available through sources in the public domain) of the other party only for purposes of this Agreement. Otherwise, except as may be required by law neither party shall use, publish nor disclose, or cause anyone else to use, publish or disclose, any Confidential Information of the other party. The restrictions on disclosure and use hereunder shall not apply to any information which (a) is or becomes generally available to the public, other than as a result of disclosure by the party receiving the information pursuant to this Agreement, (b) was made available to other third persons on a non-confidential basis by the disclosing party prior to the execution of this Agreement, (c) becomes available on a non-confidential basis from a third person, which third person was not itself under an obligation to maintain the confidentiality of such information, or (d) is required by law, regulations, including securities and other disclosure law, subpoena or court order to be disclosed. The provisions of this paragraph shall survive the expiration or other termination of this Agreement regardless of the cause of termination.

12. NON-DISCRIMINATION.

Neither Customer nor QIAGEN shall discriminate in the performance of this Agreement because of race, color, sex, sexual orientation, age, religion, handicap, marital status, or national origin in violation of any applicable federal, state, or local law or regulation.

13. ENTIRE AGREEMENT.

This Agreement, including any attachments, exhibits or schedules hereto or delivered herewith, represent the entire agreement between the parties with respect to the subject matter hereof. No amendment or modification of the terms of this Agreement shall be binding on either party unless in writing and signed on behalf of each party.

14. BINDING EFFECT; ASSIGNMENT.

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall not be assignable by Customer without QIAGEN's prior written consent; except that Customer may assign this Agreement, without the prior consent of QIAGEN, to the successor to all or substantially all of the business of Customer as long as the successor or surviving entity in such transaction agrees to be bound, in writing, by the terms and provisions of this Agreement, and written notice of such assignment is provided to QIAGEN prior to consummation of the transaction. This Agreement shall be assignable by QIAGEN.

15. WAIVER.

The waiver by a party hereto of any breach of or default under any of the provisions of this Agreement shall not be effective unless in writing and the failure of a party to enforce any of the provisions of this Agreement or to exercise any right there under shall not be construed as a waiver of such right.

16. SEVERABILITY.

If any part of this Agreement shall be invalid or unenforceable under applicable law, such part shall be ineffective only to the extent of such invalidity or unenforceability, without in any way affecting the remaining parts of this Agreement. In addition, the part that is ineffective shall be reformed in a mutually agreeable manner so as to as most closely approximate, to the extent possible, the intent of the parties hereto.

17. SURVIVAL.

The provisions of this Agreement that may reasonably be interpreted or construed as surviving the expiration or termination of this Agreement (including, without limitation, confidentiality and governing law) shall so survive for the period specified, or if no such period, for the applicable statute of limitations.

18. FORCE MAJEURE.

The timely performance of either party will be excused, except any obligations to pay any amounts then owed to the other party hereunder, and shall not constitute a breach or grounds for termination or prejudice of any rights hereunder if the delay of the performance is the result of a force majeure event; provided that such party shall promptly provide written notice of such delay and the reason therefore to the other party, shall use its reasonable efforts to limit or resolve the cause of the force majeure, and shall resume performance immediately after the cause of the delay is removed.

19. INDEPENDENT CONTRACTORS.

The parties hereto are independent contractors and nothing in this Agreement will constitute the parties to be partners, nor constitute one party the agent of the other party, nor constitute the relationship to be a joint venture. Neither party shall have, or shall represent that it has, the authority or power to act for or to undertake or create any obligation or responsibility, express or implied, on behalf of, or in the name of the other party.

Sales terms and conditions

20. GOVERNING LAW.

This Agreement and any claims, disputes or causes of action relating to or arising out of this Agreement shall be construed in accordance with and governed by the laws of the State of Maryland without giving effect to the conflict of laws principles thereof. All claims under this Agreement which cannot be amicably settled shall be submitted to the competent courts in Washington, DC. If either party commences an action or proceeding to determine or enforce its rights hereunder, the prevailing party will be entitled to recover from the losing party all expenses reasonably incurred, including court costs, reasonable attorneys' fees and costs of suit as determined by the court. In case that such party does not prevail in all aspects of the submitted claim, such fees and costs shall be allocated between the parties on a pro rata basis commensurate with the partial success of the claim.

21. TERMINATION FOR DEFAULT.

If either party shall default in a material manner with respect to its performance or obligations or covenants under this Agreement, (including without limitation, Customer's failure to pay right, upon written notice to the defaulting party and without prejudice to any other rights the non-defaulting party may have, to terminate this Agreement. In the event of Customer's default, Customer shall owe Qiagen a fee for any order shortfalls at the time of termination, as set forth in Section 3 above.

22. INSOLVENCY OR BANKRUPTCY.

Either party may, in addition to any other remedies available to it by law or in equity, terminate this Agreement by written notice to the other party in the event the other party shall become insolvent, make an assignment for the benefit of its creditors, or have any case or proceeding voluntarily initiated by or commenced against or other action taken by or against it in bankruptcy or seeking reorganization, liquidation, dissolution of winding-up or any other relief under any bankruptcy, insolvency, reorganization or other similar act or law of any jurisdiction now or hereafter in effect, and any such event shall have continued for sixty (60) days undismissed, unbonded and undischarged.
