

Get reliable results, predictable costs and peace of mind

QIAGEN Full Service Agreement

Protect your investment and keep your instrument performing at its best with our Full Service Agreement. Our certified QIAGEN service specialists ensure consistent performance, accurate results and maximum uptime—so you can focus on your core business. With expert maintenance care, faster response times and comprehensive coverage, the Full Service Agreement delivers confidence, cost control and long-term instrument reliability.

Full Service Agreement includes:

* RRC service is for select instruments only.

** Loaner equipment available only for select instruments. Subject to availability.

*** LIS connectivity and remote monitoring support through QIASphere® cloud
