QIAGEN Customer Information

Dear valued customer,

QIAGEN is dedicated to meeting the needs of our customers, and we continually strive to provide the best value in products and services. As such, we are writing to inform you of a layout update to our Certificates of Analysis for the following products.

Affected Products

Material Number	Description
19048	EndoFree Plasmid Buffer Set
11910	Ultrapure 100 Buffer Set
12362	EndoFree Plasmid Maxi Kit (10)
12381	EndoFree Plasmid Mega Kit (5)
12391	EndoFree Plasmid Giga Kit (5)

Description of Change

The certificates are now created automatically and can be downloaded from **www.qiagen.com**

This change has no impact on the fit, form, or functionality of the product, nor on the product specifications or manufacturing processes of the affected products. Only the layout and wording of the specifications on the certificates have been adapted to enable automation.

With regards,

QIAGEN GmbH

Dr. Benno Schierling

Associate Director Quality Assurance
