

# Step up your biomarker discoveries with our expert-guided services

Get support from QIAGEN® Genomic Services

**Accelerate  
your  
discovery**

One partner  
for all  
your needs

Expertise  
at your  
fingertips

Insights  
powered by  
science

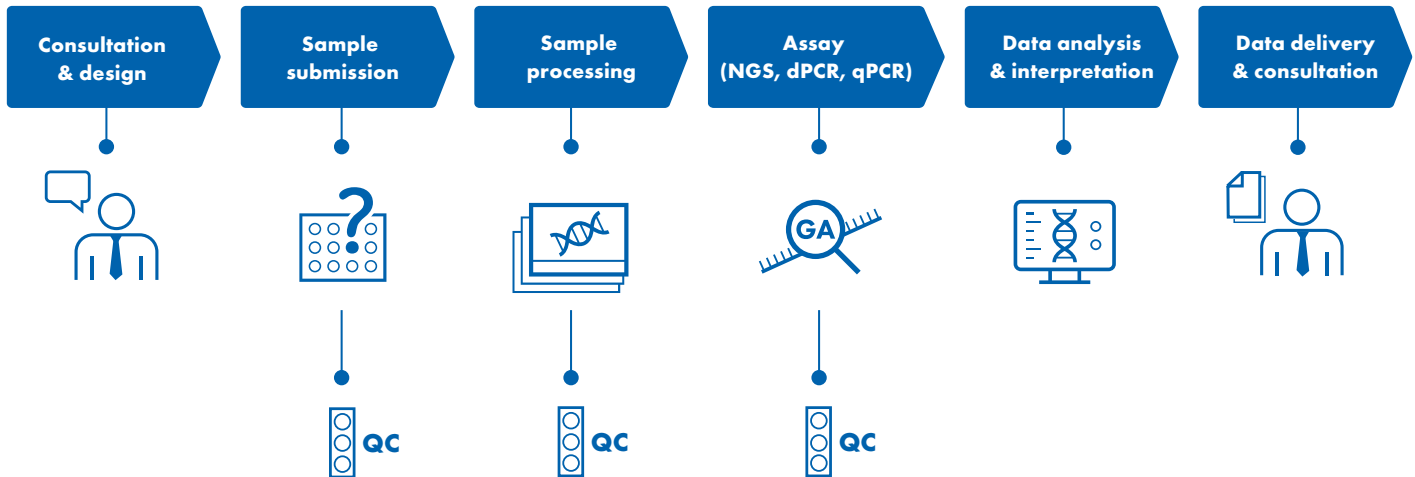

Partnering with Genomic Services is a straightforward and reliable way to extend your in-house resources and ensure you get high-quality data. To help you make impactful discoveries, our dedicated team is happy to help with the time-consuming parts of your project or support you through the entire experimental journey.

The Genomic Services lab provides all-in-one solutions, from proven sample preparation to robust data analysis and interpretation.

Partner with us for:

- Trusted guidance
- Robust technologies
- High quality standards (ISO 9001 accreditation)
- Publication-ready results

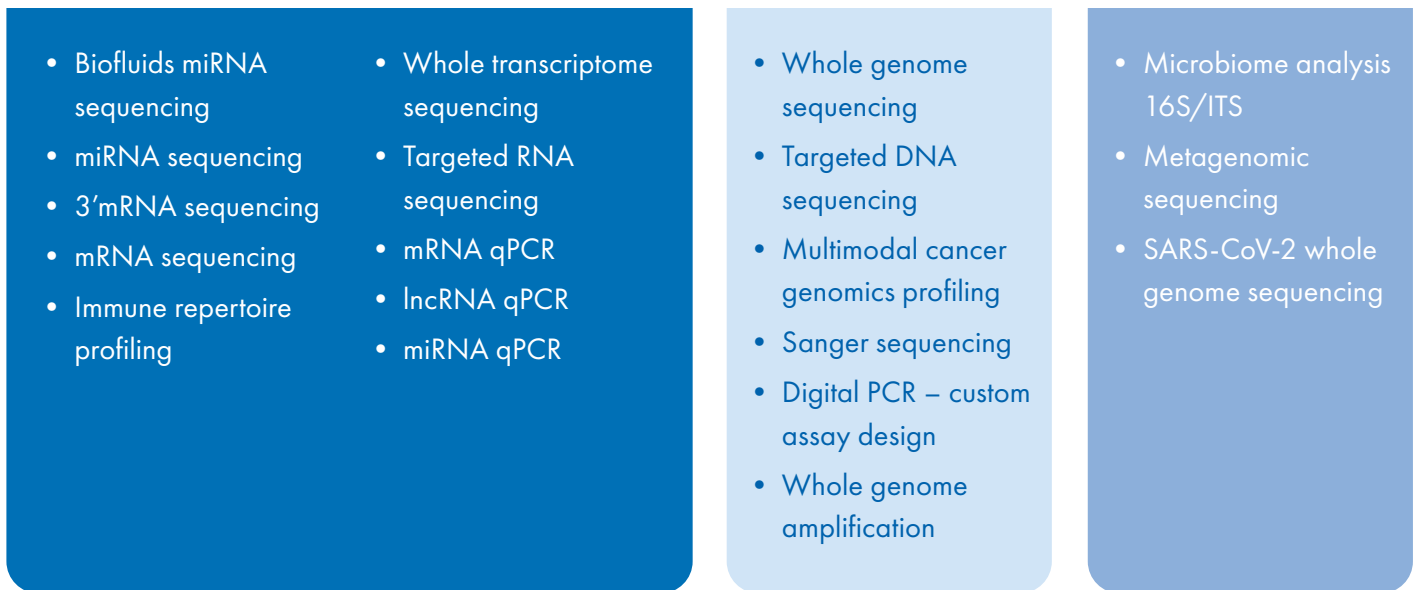

## Our Sample to Insight workflow
